September 15, 2011

Dear Parents,

As had been communicated previously to parents, as of this academic school year the BISC Parent Teacher Association (BISC PTA) will be reinstated into the school.

The Annual General Assembly will be held on Sunday, September 25, 2011 at 12:00pm in the Multipurpose Hall located in the Junior School quad.

The main objectives of the PTA are:

1. assisting in the provision of specified resources for the school/students as dictated by BISC Senior Management
2. fostering community spirit within the BISC community
3. promote activities through fundraising which support BISC

All parents interested in joining the PTA or learning more about the committee are encouraged to attend. The meeting will commence with a brief introduction to the function of the PTA in general, followed by ballot elections to take place to fill the 20 seat committee.

The official guidelines and constitution of the PTA will be available to parents and will subsequently be posted on the BISC website. Details will be communicated further through the BISC weekly bulletin.

In the meantime, should there be any questions please direct them to bod@bisc.edu.eg.

On behalf of the Board of Directors,

Yasser Hashem
Chairman
